2016

Scholarship

AMFA National is pleased to announce that we are accepting applications for the 2016 AMFA Scholarship. Two individuals will be chosen from the pool of qualified applicants as the recipients. This year's amount will be \$2,500 payable to the respective recipients' institution of higher learning. Those interested in obtaining the scholarship must follow the process listed below to be considered.

Qualifications:

- Applicant must be enrolled as a student in an A&P school or university attempting to obtain their A&P license
- Applicant must be a U.S. citizen
- Applicant must demonstrate a passion for the craft as demonstrated in a 500-word essay about the reason(s) that they chose aircraft maintenance as a career

Application Process:

- Applications are found on the AMFA National Website: www.AMFANational.org
- Completed applications must be submitted to AMFA National via email to finance@amfanatl.org or fax to 303-362-7736, including:
 1. Application Form
 2. 500-word essay about the reason(s) that they chose aircraft maintenance as a career and their passion for the craft
 3. Applicant must send transcripts proving current enrollment and grades
- Applications are due no later than February 29, 2016

Selection Process:

The Selection Committee, comprised of National Officers, will review applications and make recommendations for final approval by the National Executive Council (NEC). Once a recipient is chosen and notified, the scholarship will be awarded and paid directly to their institute of higher learning.

If you have any questions, please contact the National Secretary/Treasurer at Justin.Madden@amfanatl.org or 720-744-6632.
