AMFA Member Numbers can be accessed at the following locations:

**AMFA National Website**

Members who have registered with the AMFA National Website can access their AMFA Number under their Account Settings on the website.

- If you are not yet registered with the National Website, please click this link and complete the “New User Registration” section. Leave your AMFA Number blank and it will be entered by AMFA National during the approval process, which may take up to 24 business hours.

**AMFA App**

- [Visit the AMFA App](#) page of the National website

- If you experience operational issues with the app at any time, try removing the app from your device and re-install.

**Note:** If it has been less than 24 business hours since you registered with the AMFA National Website, your registration may not have yet been approved and therefore your AMFA # may not yet appear in the upper left-hand corner.
